# Publications and Products Released in December 1997

ABS Catalogue No. 1102.0

## NOTES

### INTRODUCTION

This publication, previously known as *Publications Issued in [Month]*, is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents. A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service (<http://www.abs.gov.au>).

### PUBLICATION PRICES

Prices include postage both within Australia and overseas (economy air).

### SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service.

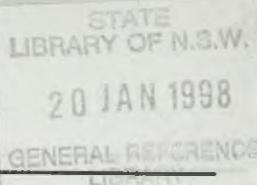

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

### INQUIRIES

For information about ABS statistics and services, please refer to the back of this publication.

## NEW PUBLICATIONS AND PRODUCTS RELEASED IN DECEMBER 1997

- 1220.0.30.001     *ASCO - Australian Standard Classification of Occupations, Second Edition and ASCO Coder, 1997 (\$125.00)*
- Comprises an explanation of the conceptual basis of the classification, the classification structure and definitions for all levels of the classification (major, sub-major, minor and unit groups and occupations). The primary purposes of this product are to aid in the interpretation of ABS occupation statistics and to provide detailed occupation information. This product is the ASCO Second Edition equivalent of *Australian Standard Classification of Occupations (ASCO) - Statistical Classification (First Edition)* (Cat. no. 1222.0) and *Australian Standard Classification of Occupations (ASCO) - Occupation Definitions (First Edition)* (Cat. no. 1223.0). In addition, the CD-ROM includes a Windows-based coding facility to enable users to code to Occupation (6-digit) level in an accurate and consistent manner.
- 1287.0     *Standards for Cash Income Statistics, 1997 (\$22.00)*
- Describes the cash income variables used in ABS collections: total cash income, source of cash income and principal source of cash income. It provides detailed discussion of concepts, definitions, classifications, coding structures, output categories and question modules for use in both interviewer-based and self-enumerated surveys.
- 4143.0     *Business of Music, Australia, 1995-96 (\$18.00)*
- Contains an economic picture of the Australian music business for the 1995-96 financial year, including final figures on employment, income, expenses. Segments covered are record companies and distributors, manufacturers of recorded music, music publishers, sound recording studios and managers of artists.
- 4156.0     *Sport and Recreation: A Statistical Overview, Australia, 1997 (\$24.00)*
- Provides a statistical overview of sport and recreation (including gambling) in Australia. Topics covered include output of the sport and recreation sector, employment in sport and recreation, government outlays on recreation, international trade in sport and recreation goods, attendances at sporting events and participation in sporting and leisure activities.
- 4368.0     *National Health Survey: Summary Results, Australian States and Territories, 1995 (\$21.00)*
- Contains selected statistics for the States and Territories of Australia, covering health status, health-related actions and lifestyle factors affecting health.
